MOTION TO PROCEED IFP STATUS
AND INSTANT ACTION!

I Robert Heard come before this
court and proclaim that I have no
funds wherewith to even feed my-
self, nor put a roof over my head.
I stay with my sister, whom has gone
on vacation to Pensacola, Fla. and
so that means I may be out the
crash car before she gets back.
At any rate, I have no funds
wherewith to pay this fee!

The laws and statutes of this
state (Ga) and United States say

I have a right to submit this action.

On a day in March I went to Congressman Doug Collins, whom did then have Cindy Dyer to handle it. They told me (Dyer) they had an office in D.C. investigating the situation. Everyone denied wrong doing. I filed Heard-v-O'Kelly 2:14-cv-00065-RWS-JCF. PROCRUSTINATION action.

And old ways began to abound. So I filed Heard-v-Collins 2:14-cv-111-RWS.

And that produce no desired effect,

I filed Heard-v-FBI Director

After making numerous calls, several to 404-244-2600, spoke with various persons. 404-656-1776 spoke to various persons as well, but James Bill struck me as emperding. 404-679-9000, a woman cursed me out. Gainesville P.D. spoke with Officer (R), to Dep. Mann at Detention Center, to Court house Mag. Court and Sheriff's Dept. so many times I thought I lived there.

Now I filed a couple more on the last week in June.

Now my point is, in spite of all that.

I AM MAKING MY AVOEMENT THAT
 MARTY ALLEN AND YSP STAFF AND
 D.C. AND DEPT. OF JUSTICE, AND
 DEPT. OF LAW HAVE WITH SEN. JIM
 JONES, GEORGE W. BUSH, JR. AND
 WASHINGTON REDSKINS OWNER, NASDAQ,
 ROYALTY FAMILY, AND ALL DEFENDANTS
 DID ENTER INTO CONSPIRACY WITH EACH
 OTHER OF WHOM WE MAY NEVER FIND
 THE EXTENT OF ALL THAT ARE, BUT WE
 KNOW, FOR THAT MARTY ALLEN DROPPED
 IN MY OFFICE AS HE BROUGHT ME TO
 MY SISTER'S DOOR AT 986 ~~1000~~ HANCOCK.
 SO WE HAVE A CONSPIRACY THAT IN-
 CLUDES MY FAMILY.

SO LET'S LOOK AT BEFORE I DO THOUGH,
 MY INFLUENCE IS ON VIC'S AND MY SISTER'S
 PHONES. THEY INTERCEPT ALL MY CALLS
 GOING AND COMING. THAT'S FEDERAL.
 I DENY THEFT, AND NSA VIOLATION.

BUT I FOUND SOME EVIDENCE BY WHICH
 I SENT TO FBI ON 7/2/14, IT TOLD AN
 AWESOME STORY. A NOTE ALSO THAT READ
 "NO RELEASE PAPERS - 4 LINES CASE DOWN,
 MAKE PHONE CALLS FOR W (352)

M

Tell vic

WORRY
 (60)

soon take care of business right now!"
The inmates from Valdosta taught
them identity theft by Marty Allen
and company.

So I called officer (R) badge #61
770 534-5251 whom along with several
law enforcement, and D.A.'s office
that heard this and know about
looking my phone, which is a Fed.
offense.

But I got questions to the court.
(1) Who were they doing it for? (2) Who
are they doing it with? (3) How do you
afford to go on a vacation moving
from your home, and no job?
(4) This I ask the court, why?

Now, I come before the court to
answer each question, Bush and
the above mentioned, herein mentioned
as well, in Heard v. Weatherington,
did in fact do the deed of taking
or stealing, stole money from me.
Now, they at this time sought to
keep me from knowing about, ~~it~~
it. So about that time I found out
and told my mother whom had
aided me in finding out I was

in prison illegally. Then they fabricated paperwork, because of it. Now, we have a motive, but they having my Mom involved in the "Ritual of the Heroines of Jericho, Free and Accepted Ancient York Masons.

(That's why Allen, Bush, Jones, Edw Field, Scofield, O Kelly, Langstaff, Dobras, CBI Dir., FBI Dir. Mrs. M.H. Yates. O'Leary, Owens, let inmates in Heard-v-VSP, Heard-v-Farley, Heard-v-Muslims etc.)

so they could use my property to file in court to make money to get out to kill me, and use identity theft.

We look at Heard-v-Barney, Heard-v-Wetherington. so we have Forgery, identity theft, conspiracy to commit theft, theft, etc. Agg assault, Attempt Murder, False Imprisonment.

Waller-v-Kelly, Phillip-v-Mashburn, I over FBI Dir., C.B.I. Dir. Failed to investigate allegations before them, that aided in the injury and caused lost of billions of dollars

of health and safety. I went on the day I left vado sta many Allen had me taken to E.I. to be assaulted

I got 2 teeth knocked out. 1 is in my sister's car she got a piece on some stuff off my bed but neglect to know what she got.

Now *Zetter-v-Wainwright*, a long with the U.S. and CA Constitutions say equal protection must be afforded me by those clothed with law color of law these definitely are. And they exert extreme deliberate indifference to my physical safety, emotionally as well.

Iaved they sought and gave me diseases like hep.c. They withheld medicine that could cure it. See *Heard-v-O'Kelly*.

They also sought to steal the money that came from suits like *Heard*

-v-Daniel No. 06-12229, but not exclusively. Also they sought to

use forged and identity theft.

According to *Bentz-Hoff-v-Smith*,

Carriffin-v-Breckenridge, Organized

Crime Act: Pub. Law No. 91-452, 84 Stat.

922, Tit. IX, 18 USC Act. OCSA 16-2-20,

Carter-v-State, *Parrell-v-State*, *Kaura*

-v-State, *Harmon-v-Berry*, *Dennis-v*

Sparks, *Fullman-v-Coadick*, *Richardson*

-v. Fleming, Causey - v. State. Art. I,
 Sect. 1, Para. XVII. Long - v. Jones.
 Toussaint - v. McCarthy. Buckley - v.
 Yaleo.

Constitutional injury is incurred
 as well for each breached duty
 to conspire to commit these violations.
 Sims - v. Adams, Allen - v. Wright. They
 all had a personal stake in the
 matter.

Toussaint - v. McCarthy.

I also fear retaliation, and due
 process violation. In short I fear
 abuse, and will give a list of cases
 that can be referred to, for they
 sought to dismiss them without
 my knowledge or consent.

With torturous techniques
 violating 28 USC § 1350 it has
 been a perilous time. Only Jesus
 my Saviour helped me through.
 I give Him all the glory. And
 because He is faithful to me,
 then so shall I be faithful
 to see my enemies brought
 to justice, jail awaits all of
 them. My only inquiry is else

is this court among them, if not?!
 Then, this court is suppose to
 stand for justice 28 USC §
 453. Am I wrong?

If not, I can expect the uttermost
 right judgement from impartial
 people, that honor, honor, like A. R.
 Kenyon so much so is not is yet
 an honorable man, being a judge
 was no problem, he made the robe
 it did not make him one way or
 the other. May I expect that
 from this court?

Relief

I seek injunctive relief prelim-
 inary in nature. CBI, FBI
 Directors. Warrants for all named
 and those contained therein and
 all that may come about in the
 process of gathering evidence.

I have photos, written material
 from reputable people of renown
 status, that gathered evidence
 for me, from early years as far
 back as the late 70's.

For constitutional injury I ask

500,000,000,000.00. For Actual damages
 FINANCES lost 500,000,000,000.00. For
 Making me miss Benny Hinn Crusades
 in Atlanta, June 26 & 27. For Making
 me miss KCM Crusade in June 30,
 July 1. My healing was at stake
 both places. So this is new stuff
 as well as old. Punitive damages
 at 2,000,000.00 per person.

I want arrest warrant where
 applicable. I want DNA testing,
 fingerprinting, I have affidavits
 from doctors. I will disclose what
 is contained in them at trial.

I pray this court grant my complaint.
 Rizzio-Cooder.

Also for the 3rd time Sasebee, Kott
 and the Rest have locked my phone,
 the Hall D.A saw it the 2nd time

This address will not last

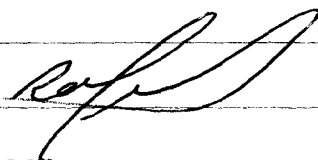

much longer, I don't know where I'll go.

IF it please the court, I would like to report that Rebecca Dobras, Sam Olen, Doug Collins, Nathan Deal, D.O.S. in D.C., Maryland, Jerry Soles, G.W. Bush, Sr. conspired and did take some of the message out of, off of my phone during the week of 6/17/14. But they forgot, I keep stuff in different places even with P.D., Sheriff's Dept., C.B.I., F.B.I. and people as witnesses. You not gonna beat me. I got evidence from the 70's on everyone of them.

This court has forgotten, I won my first case, in this court in the 80's late. Heard v. Ramsey. Bob Andrews was his lawyer. I will not be beaten. The longer you take, the deeper they get into it. You ain't gonna drag it out either.

That ain't being arrogant that's facing reality. I am not a child, you need to look carefully at the situation, and don't come threatening me. If I don't see the end 7/16/14, I will be forced to go to legal extremes. I am entitled to my day in court.

The 5 day of July 2014.
